# HONORARY DOCTORATE

## **HONORARY DOCTORATE - PRINCIPLES AND CRITERIA FOR SELECTING CANDIDATES GENERAL PRINCIPLES:**

**» The awarding of an honorary degree is an important symbol in the life of the University. An honorary degree recognizes unusually meritorious achievement and activity, both in academia and in broader areas of benefit to society, that reflect the values esteemed by a major university. Honorary degrees are awarded to those whose achievements are of such excellence that they provide, through example, inspiration and leadership to the University's graduates.**

**» In choosing recipients of this honor, the University is also guided by the principle that, by honoring individuals for their contributions, the University also honors itself through its association with persons of such special merit.**

## **SELECTION CRITERIA:**

**The following specific criteria are used by the Honorary Degrees Committee in evaluating candidates. The Committee's goal each year is to present a list of recipients across a range of academic disciplines and non-academic areas of achievement. The recipients of the honorary degree, when possible, will be chosen in a manner consistent with the purposes of the Convocation in which the degree will be awarded. Those in category (a) will predominate, if possible, those in categories (b) and (c) will normally be less than half of the recipients of category (a), unless the Convocation is called for a special reason**

# HONORARY DOCTORATE

- The University will normally give preference to honoring individuals who have made outstanding contributions in the sciences, humanities and professions in which the University is active.
- The award will be given to those who see an outstanding achievement having contributed to improving culture and society in Canada or anywhere else in the world.
- The University will at times honor those who have made extraordinary contributions to the development of the University or the region or have achieved international standards of excellence.
- **PROCEDURES:**

**Nominations:** At least once a year, the University Secretariat will widely disseminate a call for nominations to the university community, using traditional communication channels and any additional channels suggested by the members of the Honorary Degrees Committee.

# HONORARY DOCTORATE

## **AWARDS::**

Honorary graduates are invited to give the convocation speech but may decline the invitation to do so. Honorary degrees are not awarded in absentia. Honorary degrees are not awarded posthumously. An exception may be made if the award was accepted and arrangements for its award were made before the candidate's death.

The honorary degree citation should last more than three minutes. In accordance with the Council's bylaws, "each recipient of an honorary degree shall be presented for admission [to the degree] by the Director or by a person designated for that purpose by the Director

## **REVOCATION (Municipality for the Honorary Doctorate Award):**

- The Senate may revoke the honorary degree and all rights and privileges associated with it. The Senate will evaluate the possibility of revoking the degree on the proposal of the Honorary Degrees Commission, through a vote.

# HONORARY DOCTORATE

## HONORARY GRADUATIONS COMMITTEE:

The Honorary Degrees Committee is appointed annually by the Senate and is composed of the Chancellor and other members of the Senate as determined from time to time by the Senate. The Commission's task is to select the people to be reported to the Senate for the awarding of Honorary Degrees.

## RECOMMENDATIONS TO THE SENATE:

The Honoris Cause Degrees Commission presents the Proposal for the awarding of Honoris Causa Degrees in the form of a written report which is made available to the members of the Senate at least two days before the ordinary Assembly at which it must be presented.

The names of candidates for Honorary Degrees remain confidential until approved by the Senate and acceptance of offers by the candidates.

**DOCUMENT CHECKLIST: (Common for Honorary Doctorate and Honorary Awards)** Applications submitted without the following documents will be returned to the candidate:

A letter from the candidate describing the reasons for nominating the candidate, including the candidate's special contributions or achievements, and any other information the candidate believes may be relevant to the nomination.

# HONORARY DOCTORATE

- » Letters of support (no more than three).
- » The candidate's abbreviated curriculum vitae containing details such as education, field of defense activity brief description of publications (if any), special awards, and distinguished service.
- » A brief biographical summary (maximum 200 words), which will form the basis of the citation at the invitation if the Candidate is chosen as an honorary graduate.

## AWARDS:

Honorary graduates are invited to give the convocation speech but may decline the invitation to do so. Honorary degrees are not awarded in absentia. Honorary degrees are not awarded posthumously. An exception may be made if the award was accepted and arrangements for its award were made before the candidate's death.

The honorary degree citation should last no more than three minutes. Under the Council's bylaws, "each recipient of an honorary degree shall be presented for admission [to the degree] by the Director or by a person designated for that purpose by the Director"

## REVOCACTION (Municipality for Honorary Doctorate and Award):

The Senate may revoke the honorary degree and all rights and privileges associated with it. The Senate will evaluate the possibility of revoking the degree on the proposal of the Honorary Degrees Commission, through a vote.

## **DEGREE CERTIFICATES AND LETTERS POLICY:**

# DOTTORATO ONORARIO

## ***DOTTORATO ONORARIO - PRINCIPI E CRITERI DI SELEZIONE DEI CANDIDATI PRINCIPI GENERALI:***

***» Il conferimento della laurea honoris causa è un simbolo importante nella vita dell'Università. Una laurea honoris causa riconosce risultati e attività insolitamente meritori, sia in ambito accademico che in aree più ampie di beneficio per la società, che riflettono i valori stimati da una grande università. Le lauree honoris causa vengono conferite a coloro i cui risultati sono di tale eccellenza da fornire, attraverso l'esempio, ispirazione e leadership ai laureati dell'Università.***

***» Nella scelta dei destinatari di questo onore, l'Università è inoltre guidata dal principio secondo cui, onorando gli individui per i loro contributi, l'Università onora anche se stessa attraverso la sua associazione con persone di tale merito speciale.***

## ***CRITERI DI SELEZIONE:***

***I seguenti criteri specifici sono utilizzati dal Comitato delle Lauree Honoris Causa nella valutazione dei candidati. L'obiettivo del Comitato ogni anno è quello di presentare una lista di destinatari in una serie di discipline accademiche e aree di rendimento non accademiche. I destinatari della laurea honoris causa, quando possibile, saranno scelti in modo coerente con le finalità della Convocazione in cui verrà conferita la laurea. Quelli della categoria (a) predomineranno, se possibile, quelli delle categorie (b) e (c) saranno normalmente meno della metà dei destinatari della categoria (a), a meno che la Convocazione non venga indetta per un motivo speciale***

# DOTTORATO ONORARIO

- L'Università normalmente darà la preferenza a onorare individui che hanno dato un contributo eccezionale nelle scienze, nelle discipline umanistiche e nelle professioni in cui l'Università stessa è attiva.
- Il riconoscimento verrà assegnato a coloro che vedranno un risultato eccezionale aver contribuito a migliorare la cultura e la società a Canada o in qualsiasi altra parte del mondo.
- L'Università a volte onorerà coloro che hanno dato contributi straordinari allo sviluppo dell'Università o della regione o hanno raggiunto standard internazionali di eccellenza.

## PROCEDURE:

**Nomine:** Almeno una volta all'anno, la Segreteria dell'Università diffonderà diffusamente alla comunità universitaria un bando per le candidature, utilizzando le tradizionali vie di comunicazione e le eventuali ulteriori vie suggerite dai membri del Comitato delle Lauree Honoris Causa.

# DOTTORATO ONORARIO

## PREMIAZIONE::

Può essere fatta un'eccezione nel caso in cui l'onorificenza sia stata accettata e siano stati presi accordi per la sua assegnazione prima della morte del candidato.
- La citazione per la laurea ad honorem dovrebbe durare più di tre minuti. In conformità con lo statuto del Consiglio, "ciascun destinatario di una laurea ad honorem sarà presentato per l'ammissione [alla laurea] dal Direttore o da una persona designata a tal fine dal Direttore

## REVOCA (Comune per il Premio di Dottorato Honoris Causa):

- Il Senato può revocare la laurea honoris causa e tutti i diritti e privilegi ad essa connessi. Il Senato valuterà la possibilità di revocare la laurea su proposta della Commissione Lauree Honoris Causa, tramite votazione.

# DOTTORATO ONORARIO

## COMITATO LAUREE ONORARI:

- La Commissione Lauree Onorarie è nominata annualmente dal Senato ed è composta dal Cancelliere e dagli altri membri del Senato determinati di volta in volta dal Senato. ### UNIVERSITY OF CUNEO

Eine einfache und kostensparende Möglichkeit, Informationen aus dem Handelsregister bundesweit abzurufen, bietet das Gemeinsame Registerportal der Länder. Nähere Informationen finden Sie unter

[www.universityofcuneo.it](http://www.universityofcuneo.it)

#### Warnhinweis

Landesweit mehrern sich die Fälle, dass nach öffentlicher Bekanntmachung von Handelsregister-eintragungen private Dritte unter Befügung amtlich erscheinender Rechnungen die beteiligten Kaufleute oder Gesellschaften zur Zahlung angeblicher Veröffentlichungsauslagen auffordern. Bei den durch die Eintragung in das Handelsregister entstandenen Gebühren und den für die Veröffentlichung der Eintragung aufgewendeten Auslagen handelt es sich um einen öffentlich-rechtlichen Kostenanspruch des Landes Nordrhein-Westfalen. Er wird für den Bereich des Amtsgerichts Bad Oeynhausen ausschließlich durch die Oberjustizkasse Hamm eingezogen.
